MEMORANDUM FOR: Director of Security

SUBJECT : Security Reindoctrination Program

1. On 23 February 1967 I briefed the Director on the following excerpt from an IG report:

"Security Reindoctrination Program No. 2 was presented at Headquarters in 1964 for approximately [] Agency employees. This briefing, with minor updating, is still being presented monthly as a part of the CIA Review sponsored by the Office of Training for overseas returnees. In addition, all employees traveling overseas either PCS or TDY must clear through the Office of Security prior to departure. They receive varying degrees of security indoctrination depending upon the areas to which they are going and the prior experience they possess based on previous foreign assignments. The Office of Security is now beginning to begin assembling material during 1967 for a third complete reindoctrination program to be presented during Calendar Year 1968. This program appears to be well organized and effective."

2. After a brief discussion the Director decided that the reindoctrination program now planned for Calendar Year 1968 should be presented during the last half of Calendar Year 1967.

3. The Director of Security is requested to ensure that present activities are accelerated in order to comply with the Director's wishes.
